Completing college and job applications can be scary. What to do? Simple. Go to App Camp!

This week-long intensive workshop helps students complete applications for college, apprenticeships and jobs.

Students may participate in either the College or Career Edition, depending on their future plans and needs.

Camp Activities:

- Deciding where to apply
- Planning and writing the essay(s) & cover letters
- Completing applications and meeting requirements
- Preparing for interviews and auditions
- Intro to applying for financial aid (student loans) and financial planning

Students leave with completed applications, job and college search tools, career and college contacts, college and career guides, and a fuller understanding of the job market and college landscape.

Just say NO to fluffy presentations.
